

INTRODUCING FASTER FARTHER APPAREL

2019 TEAM SPONSORSHIP PROGRAM

Dear friends of the water,

Faster Farther is a new Bellingham, WA based apparel startup focused specifically on the performance paddling sports. We were founded with the simple belief that an inspired athlete is a happy athlete. Happy athletes train harder, race faster, go farther and have lots of fun doing it.

But how to inspire?

Answering that question is multifaceted and involves more than just delivering an excellent product. It requires a unique point of view backed by a groundbreaking manufacturing approach that challenges the status quo of mass-produced garments by people working in ethically questionable conditions with little to no environmental accountability.

It also involves solving the practical problems paddlers and their teams face, like sourcing team apparel. So Faster Farther is taking the lead and initiating an ambitious sponsorship program on behalf of paddling teams, and I'd like to invite you to participate.

2019 Team Sponsorship Program:

- + **Truly Custom Apparel for Your Team:** Logo wear is great for fast food employees, but your team can do better. Qualifying teams will receive access to a dedicated team store with a custom collection of club specific apparel designed by Faster Farther on behalf of your team. Faster Farther will supply the design and product development at no cost. That's everything from hats, shirts, compression tops, tank tops, tights, hoodies and much more.
- + **No Minimum Orders or Herding Cats:** Because Faster Farther uses a revolutionary process to manufacture most of our products on-demand in the USA, teams are not required to fulfill a minimum order or make deposits on most items*. Just visit your team store, click, ship and rip. We take care of everything else, one order at a time.
- + **Team Discounts:** We believe it's inspiring to give back, and will offer qualifying teams discounted pricing on their team collections.

Feeling inspired? Please have your team representative make contact at Fasterfarther.com to learn more about joining our 2019 Team Sponsorship Program... And pick out something nice!
